

A family of four (two adults and two children) are standing on a grassy hill, looking out over a vast valley at sunset. The sun is low on the horizon, creating a warm, golden glow. The family is silhouetted against the bright sky. The father is on the left, with his arm around the mother. The mother is next to him, and the two children are on the right. They are all looking towards the horizon.

ThreePeaks Ascent:

Maximizing Your Insurance Benefits

Navigating insurance coverage for your child's treatment can be overwhelming. At ThreePeaks Ascent, we understand.

ASCENT

Our Commitment to Your Family

When your child is in crisis, **the last thing you need is the added stress of dealing with complex insurance processes.** Our dedicated in-house Insurance Utilization Team is here to help.

Experienced Advocacy

Our team advocates directly with insurance companies, outlining the medically necessary services your child needs.

Out-of-Network Expertise

While we are primarily an out-of-network provider, we utilize Single Case Agreements (SCAs) and In-Network Exceptions (INEs) to navigate complexities and maximize your benefits.

Personalized Funding Plans

We work with you to create a personalized funding plan, helping you understand your insurance options and manage potential out-of-pocket expenses.

Dedicated Support

We are committed to helping families secure the best possible insurance coverage, even when it may not cover the entire cost of treatment or the recommended length of stay.

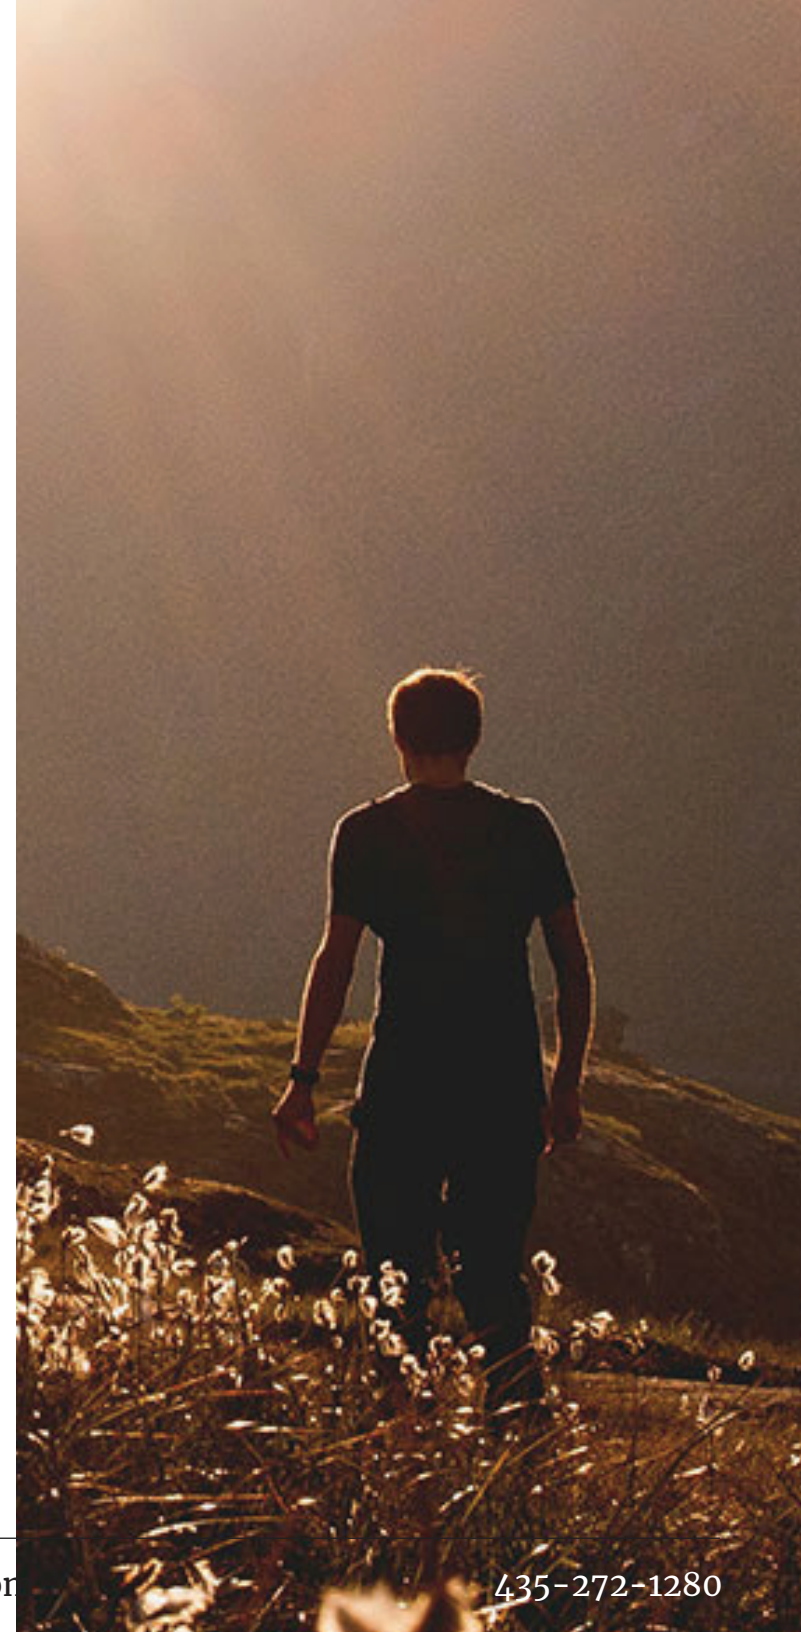

How We Help:

Our Utilization Team goes above and beyond to:

- ✓ Handle insurance complexities and unwarranted denials.
- ✓ Address in-network deficiencies.
- ✓ Strive to minimize your financial burden.

The Human Element:

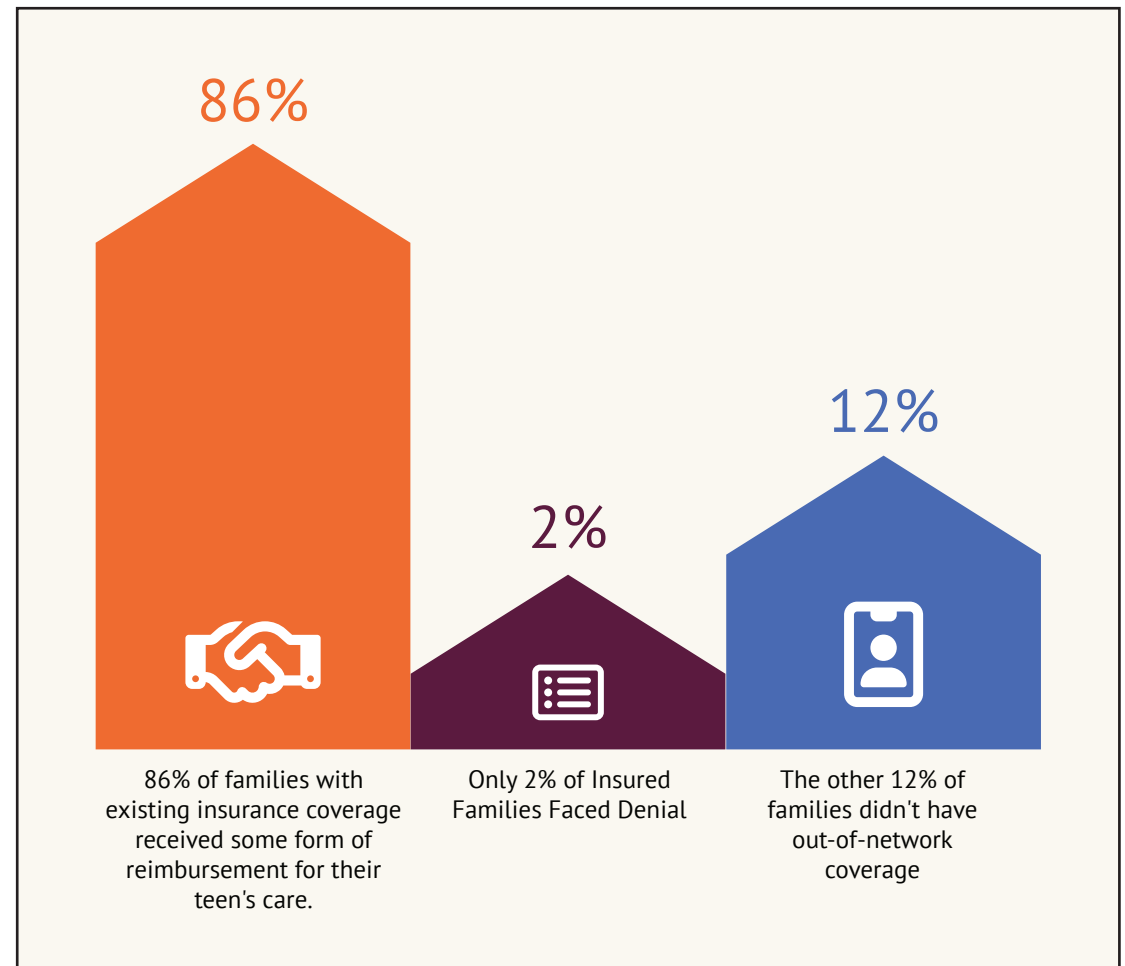

We understand that behind every claim is a family seeking help. Our team works tirelessly to ensure you receive the support you deserve, providing compassionate guidance throughout the insurance process.

We Get Results

Our dedicated team advocates for your family, navigating complex insurance processes to maximize your benefits. **86% of families with existing insurance coverage received some form of reimbursement for their teen's care.**

Why Choose ThreePeaks Ascent?

We believe our dedicated in-house Utilization Team sets us apart. We are committed to empowering families to maximize their insurance benefits, providing a significant advantage in accessing essential treatment.

While we work diligently to maximize your insurance benefits, please understand that individual outcomes will vary. Reimbursement amounts depend on your specific insurance plan, policy, and the unique needs of your child's treatment. While the results we've achieved represent averages, your individual experience may vary. **It is important to note that insurance may not cover the entire cost of services or the recommended length of stay.**
